## HOST FAMILY PROGRAM

ABOVE: Host Family players, Grayson Barber (Left) & Jaylin Lindsey (Right).

We need your support to provide a home for the Super Stars of tomorrow. Host families are needed for the 2016-17 season starting in August.

Having a player live with us has been beneficial in so many ways. On the one hand, our son has learned what it takes to be on an Elite Academy. On the other hand, the SKC Academy Player has helped work cooperatively on homework, chores, and decision making. All of us have learned tolerance and find things that are interesting about each other.
